

Name: _____ Period: _____

Immigration Debate

Immigration issues span from a wide range of topics, such as, board control, current illegal residence, sanctuary cities and more. These topics are debated in the news and most recently in the Presidential and Congressional election.

We will hold three mini-debates. You will be assigned ONE of the sides below (a total of 6 teams) and you will spend the class period today researching evidence that will support it's claim. Circle the claim that you are assigned.

Debate Date: Thursday, March 30th

I've been assigned Option #: _____ → Circle one: YES VS NO

Look for the following: facts, statistics, REAL stories, quotes from professionals or politicians.

1. **Option #1**
 - a. Should Sanctuary cities receive federal funding?
2. **Option #2**
 - a. Should immigrants who are in the country illegally be allowed to remain in the U.S.?
3. **Option #3**
 - a. Should the U.S continue to build a fence or war along the US/Mexico border?

Option #1 - <http://www.procon.org/headline.php?headlineID=005333>

Option #2 - <http://sks.sirs.com/webapp/leading-issue?type=sub&keyno=012902>

Option #3 - <http://immigration.procon.org/view.answers.php?questionID=000778>

You will need to bring a *FULL PAGE*** of research to aid in the debate.

You will be graded on having or research on the day of the debate, your participation during your debate, and reflection on each debate!

1 page of research- (Includes as least THREE cited references and at least THREE arguments for your side)	/15
Participation during YOUR debate- (Express your opinions and ask questions/an active participant)	/10
Reflections- (1 page) (Writes a personal reflection for the other two debates (1/2 page each))	/10

TOTAL POINTS /35
