

Handout B: Graphic Organizer – Policy Research

Use the graphic organizer below to help guide your research into immigration policy proposals. Do your best to provide answers to all of the questions. During your group's discussion time, use the ideas of your group members to fill in any areas that may need additional information.

Assigned Policy: _____

What is the central goal of this policy on immigration?	
How does this policy address the balance between national security and providing opportunity for immigrants?	
What possible impacts will the policy have on national security?	
What possible impacts will the policy have on the United States economy?	
How does this policy treat citizenship?	
What does this policy mean for determining the "fitness" of an individual for citizenship (i.e. are they prepared to internalize the ideas of the Declaration and Constitution and live by them)?	
What possible impacts will this policy have on the current work force in the United States?
