# Relevant Terrorist Organizations In The World

Below you will find a list of terrorist organizations that I think are important for you to know today in order to better understand current issues and participate in an educated discussion on the topic. Answer the questions for your assigned group. Make sure you take detailed notes because you will be teaching each other about the one you studied in small groups.

## **ISIS**

When were they established:

Who formed/is a part of them:

Where did they originate:
